A fresh coat of paint throughout (including the external roofing) enhances the bright, airy atmosphere, while the updated main bathroom and neat kitchen with a brand-new oven add to the home's appeal.

The split-level design offers a separate lounge room, dining off the kitchen, and a second living area, providing flexibility for families or entertainers. Plenty of natural light filters through the home, while reverse-cycle air conditioning in the main lounge and second living zone ensures year-round comfort.

The covered alfresco area is perfect for relaxing or entertaining, while the fully fenced rear yard adds security and privacy. Garaging and storage options are exceptional, including a double garage with workshop and power, a separate three-bay Colourbond garage (also powered), and two

Combining classic character with modern upgrades, this home truly offers exceptional value, especially for those needing extensive garaging or workshop space. Move in and do nothing, all the hard work has been done ♦ this one won ♦t last long!
